

CalOptima Health Seeks Whole-Child Model Family Advisory Committee Candidates

The Whole-Child Model (WCM) has been authorized to incorporate services covered by California Children's Services (CCS) for Medi-Cal-eligible children and youth into a Medi-Cal managed care plan benefit. A provision of the Whole-Child Model requires health plans to establish a family advisory committee.

The CalOptima Health Board of Directors welcomes input and recommendations from its members and the community regarding CalOptima Health programs. Accordingly, CalOptima encourages members and community advocates to become involved in the Whole-Child Model Family Advisory Committee (WCM FAC).

The WCM FAC is composed of members, family of members receiving CCS services and community advocates who serve them. The committee reports to the Board and are asked to:

- Engage in study, research and analysis of issues assigned by the Board or generated by staff or the WCM FAC

- Initiate recommendations on issues for study to the CalOptima Health Board for its consideration and approval, as well as facilitate community outreach for CalOptima Health's Whole-Child Model and the Board.

CalOptima Health is seeking candidates to serve as a community members on the WCM FAC.
