

Drug Recalls and Withdrawals

CalOptima's Pharmacy department informs members, prescribers and pharmacies when there is a Class I or Class II medication recall. We inform our members in writing when a medication is removed from the market.

CalOptima reviews drug recalls and withdrawals every 3 months. The review takes place in a meeting with the Pharmacy and Therapeutics (P&T) Committee. This Committee includes doctors and pharmacists. You can find details on drug recalls and withdrawals on CalOptima's website at: <https://www.caloptima.org/en/Members/Medi-Cal.aspx>. The website is updated every 3 months. Please discuss any details on drug recalls and withdrawals that may affect you with your doctor.
