Annual Notice of Change
OneCare (HMO SNP) offered by CalOptima

Annual Notice of Changes for 2020
You are currently enrolled as a member of OneCare. Next year, there will be some changes to the plan's costs and benefits. This booklet tells about the changes.

What to do now

1. ASK: Which changes apply to you

☐ Check the changes to our benefits and costs to see if they affect you.
   - It's important to review your coverage now to make sure it will meet your needs next year.
   - Do the changes affect the services you use?
   - Look in Sections 2.5 and 2.6 for information about benefit and cost changes for our plan.

☐ Check the changes in the booklet to our prescription drug coverage to see if they affect you.
   - Will your drugs be covered?
   - Are your drugs in a different tier, with different cost-sharing?
   - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
   - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
   - Review the 2020 Drug List and look in Section 2.6 for information about changes to our drug coverage.
   - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit https://go.medicare.gov/drugprices. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.
OneCare Annual Notice of Changes for 2020

☐ Check to see if your doctors and other providers will be in our network next year.
  ● Are your doctors, including specialists you see regularly, in our network?
  ● What about the hospitals or other providers you use?
  ● Look in Section 2.3 for information about our Provider Directory.

☐ Think about your overall health care costs.
  ● How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
  ● How much will you spend on your premium and deductibles?
  ● How do your total plan costs compare to other Medicare coverage options?

☐ Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

☐ Check coverage and costs of plans in your area.
  ● Review the list in the back of your Medicare & You handbook.
  ● Look in Section 4.2 to learn more about your choices.

☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. CHOOSE: Decide whether you want to change your plan

  ● If you want to keep OneCare, you don’t need to do anything. You will stay in OneCare.
  ● If you want to change to a different plan that may better meet your needs, you can switch plans between October 15 and December 7. Look in section 4.2, page 17 to learn more about your choices.

4. ENROLL: To change plans, join a plan between October 15 and December 7, 2019

  ● If you don’t join another plan by December 7, 2019, you will stay in OneCare.
  ● If you join another plan between October 15 and December 7, 2019, your new coverage will start on January 1, 2020.

SECTION 1: Unless You Choose Another Plan, You Will Be Automatically Enrolled in OneCare in 2020

If you do nothing to change your Medicare coverage in 2019, we will automatically enroll you in OneCare. This means starting January 1, 2020, you will be getting your medical and prescription drug coverage through OneCare. If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare and get your prescription drug coverage through a Prescription Drug Plan. If you want to change, you can do so between October 15 and December 7. The change will take effect on January 1, 2020.

The information in this document tells you about the differences between your current benefits in OneCare and the benefits you will have on January 1, 2020, as a member of OneCare.

Section 2.2: Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Section 2.3: Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider and Pharmacy Directory is located on our website at www.caloptima.org/onecare. You may also call Customer Service for updated provider information or to ask us to mail you a Provider and Pharmacy Directory. Please review the 2020 Provider and Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 2.4: Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Provider and Pharmacy Directory is located on our website at www.caloptima.org/onecare. You may also call Customer Service for updated provider information or to ask us to mail you a Provider and Pharmacy Directory. Please review the 2020 Provider and Pharmacy Directory to see which pharmacies are in our network.
Section 2.5: Changes to Benefits and Costs for Medical Services

Please note that the Annual Notice of Changes only tells you about changes to your Medicare benefits and costs.

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, Benefits Chart (what is covered), in your 2020 Evidence of Coverage. A copy of the Evidence of Coverage is located on our website at www.caloptima.org/onecare. You may also call Customer Service to ask us to mail you an Evidence of Coverage.

Changes to Our Drug List

Our list of covered drugs is called a *Formulary* or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug.** We encourage current members to ask for an exception before next year.
  - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)* or call Customer Service.

- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy.

**How do I change my prescription?**

If your drug was removed from our Drug List, or if we made changes to the restrictions that apply for coverage, you can ask us if we cover another drug used to treat your medical condition. If we cover another drug for your condition, we encourage you to ask your doctor if these drugs that we cover are an option for you. If your doctor tells you that none of the drugs we cover for treating your condition is medically appropriate, you have the right to request an exception from us to cover the drug that was originally prescribed. You also have the right to request an exception if your doctor tells you that a prior authorization, quantity limit, or other limit we have placed on a drug you are taking is not medically appropriate for treating your condition.

**What if my request for an exception was already approved this year?**

In some situations, we will still cover drugs that are not on our Drug List, or are on our Drug List, but with restrictions. If you and your doctor requested an exception to our coverage rules this year and we approved your request, then we mailed you a letter telling you how long your request is approved. In that letter, we also tell you what to do when your approval expires. You can request a copy of your letter(s) by calling Customer Service (see the back cover).
Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. Because you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 8.1 of this booklet.</th>

Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, Types of out-of-pocket costs you may pay for covered drugs in your Evidence of Coverage.
### Stage 2: Initial Coverage Stage
During this stage, the plan pays its share of the cost of your drugs and **you pay your share of the cost.**

The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing.

For information about the costs for a long-term supply, look in Chapter 6, Section 5 of your *Evidence of Coverage.*

### Changes to the Coverage Gap and Catastrophic Coverage Stages
The Coverage Gap Stage and the Catastrophic Coverage Stage are two other drug coverage stages for people with high drug costs. **Most members do not reach either stage.**

SECTION 4: Deciding Which Plan to Choose

Section 4.1: If you want to stay in OneCare

To stay in our plan you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2020.

Section 4.2: If you want to change plans

We hope to keep you as a member next year but if you want to change for 2020 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read Medicare & You 2020, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to https://www.medicare.gov and click “Find health & drug plans.” Here, you can find information about costs, coverage, and quality ratings for Medicare plans.

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from OneCare.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from OneCare.
- To change to Original Medicare without a prescription drug plan, you must either:
  - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 8.1 of this booklet).
  - -- or -- Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.
SECTION 5: Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from October 15 to December 7. The change will take effect on January 1, 2020.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. There are limits on how often you can change plans. For more information, see Chapter 10, Section 2.3 of the Evidence of Coverage.

If you enrolled in a Medicare Advantage plan for January 1, 2020, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2020. For more information, see Chapter 10, Section 2.3 of the Evidence of Coverage.
SECTION 6: Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In California, the SHIP is called Health Insurance Counseling and Advocacy Program (HICAP).

HICAP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. HICAP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call HICAP at 1-800-434-0222. You can learn more about HICAP by visiting their website (www.coaoc.org).

For questions about your Medi-Cal benefits, contact Medi-Cal Managed Care of the Ombudsman at 1-888-452-8609, Monday through Friday, 8 a.m. to 5 p.m.; excluding holidays. TTY users should call 1-800-735-2929. Ask how joining another plan or returning to Original Medicare affects how you get your Medi-Cal coverage.
SECTION 7: Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- “Extra Help” from Medicare. Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).
SECTION 8: Questions?

Section 8.1: Getting Help from OneCare

Questions? We’re here to help. Please call Customer Service at 1-877-412-2734. (TTY only, call 1-800-735-2929. We are available for phone calls 24 hours a day, 7 days a week. Calls to these numbers are free.
