About CalOptima PACE

CalOptima Program of All-Inclusive Care for the Elderly (PACE) is a long-term comprehensive health care program that helps older adults to remain as independent as possible. PACE services are provided either in the community or at our PACE center.

PACE Services

Services listed below can be offered in your home, in the community or at our PACE center.

- Routine medical care, including specialist care*
- Prescribed drugs and lab tests
- Personal care for things like bathing, dressing and light chores
- Recreation and social activities
- Nutritious meals
- Social services
- Rides to health-related appointments, and to and from the program
- Hospital care and emergency services**

*Depending on your medical need, additional services may include:

- Dental, vision, podiatry and hearing services (dentures, glasses, foot care and hearing aids)
- Physical, occupational and speech therapies

**Participants must receive all needed services, other than emergency care, from CalOptima PACE providers and will be personally responsible for any unauthorized or out-of-network services.
Make PACE Your Place

How do I qualify for CalOptima PACE?

- Be at least 55 years old
- Live in our service area
- Meet the nursing facility level of care requirements as determined by the State of California
- Be able to live safely at home or in a community setting with proper support

How much will I pay for CalOptima PACE?

The cost varies, depending on the type of insurance coverage you have:

- If you have Medicare and Medi-Cal (with no share of cost), all CalOptima PACE services are covered at no cost to you.
- If you have Medi-Cal only (with no share of cost), all CalOptima PACE services are covered at no cost to you.
- If you have Medicare and Medi-Cal (with a share of cost), you must pay the share of cost.
- If you have Medicare only, you must pay a monthly premium for PACE, plus your Medicare Part D premium.
