

Medi-Cal EHR Incentive Program California Technical Assistance Program Eligible Professional Technical Assistance Acknowledgement—Individual

The California Technical Assistance Program (CTAP) is designed to assist Eligible Professionals (EPs) and their practice groups in participation in the Medi-Cal EHR Incentive Program with the installation and use of EHRs to attain meaningful use. Services are free-of-charge for EPs, with funding provided by the federal government and the State of California for the years 2015-2018. Participating EPs may receive services in the following areas: *Education and Outreach, Medi-Cal EHR Incentive Program Guidance, EHR Implementation, Practice and Workflow Redesign, Progress Toward Meaningful Use, Health Information Exchange*. For further information:

[http://www.dhcs.ca.gov/provgovpart/Pages/California_Technical_Assistance_Program_\(CTAP\).aspx](http://www.dhcs.ca.gov/provgovpart/Pages/California_Technical_Assistance_Program_(CTAP).aspx)

EP includes physicians, nurse practitioners, dentists, certified nurse midwives, optometrists, and physician assistants (at a PA- Led FQHCs or RHCs) who, individually or with a group, meet the 30% Medicaid encounter volume (20% for pediatricians) requirement for the Medi-Cal EHR Incentive Program. EPs will be required to demonstrate eligibility when registering for the Medi-Cal EHR Incentive Program.

Specialists include dentists, optometrists, or board-certified or board eligible physicians other than family practice, OB/GYN, pediatrics, or internal medicine.

Please fill out the below table with your enrollment information.

Name of Eligible Professional	EP Type
Individual NPI	EP License Number
Initial	I am a solo practitioner. I work 50% or more of my time at a location at which I am the only professional of the following types: physician, dentist, nurse practitioner, certified nurse midwife, optometrist, or physician assistant.
